

## Accessibility Statement

**The Realm Fitness** is committed to ensuring that our website (<https://therealmfitness.com>) is accessible to all users, including individuals with disabilities. We strive to meet or exceed the accessibility requirements outlined in the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, as well as applicable accessibility laws in Canada and Alberta.

To achieve this goal, we have engaged an accessibility consultant to conduct an audit of our website and provide specific recommendations that will help ensure our web presence is fully compliant with **WCAG 2.1 AA** guidelines. This includes a commitment to ongoing improvements to enhance the user experience for all visitors.

## Ongoing Improvements

We recognize that accessibility is an ongoing process. As we continue to enhance our website, we are working with our website provider to implement the necessary updates and improvements to meet the **WCAG 2.1 AA** standards over time. We value your feedback and encourage you to contact us if you experience any issues or need assistance navigating the website.

## Need Assistance?

If you encounter any barriers to accessing content or if you have any specific questions or concerns about the accessibility of this site, please do not hesitate to reach out to us. You can contact us via email at:

**Email:** [info@therealmfitness.com](mailto:info@therealmfitness.com)

We are committed to making reasonable efforts to address any issues you may encounter. If you experience difficulty using any of the features on our website, please specify the page or section you are referring to, and we will work to make the necessary improvements.

## Commitment to Accessibility Laws

We are also dedicated to complying with relevant accessibility legislation, including the **Accessible Canada Act (ACA)** and Alberta's **Accessibility for Manitobans Act** (if applicable), ensuring that our website provides equitable access to all Canadians, including those with disabilities.

Thank you for your patience and for helping us maintain an accessible digital environment for everyone.
